

Book in Bar invites you December 2005

Friday 9 December 5:30 pm “Conference – Signing”

Are the French Media worse than the UK & US media ?

Jean Pierre Tailleur, author of Bévues de Presse and professor at the universities of Aix-en-Provence and Montpellier, will compare the French media to the UK & US media.

Does he see only the negative aspects or do we have a real problem concerning information and media today ?

Let's think...

...the discussion will be followed by an apéritif.

Tuesday 13 December 5:30pm “Bilingual Bookclub”

THE SHAWL by Cynthia Ozick

The horror of the Holocaust and the unfillable emptiness of its aftermath are recounted by one of the best American writers in two short stories. These are called to be read again and again.
